Row 6–9: Repeat Rows 2-5

From here you will be repeating rows 2 – 5, until you have reached your desired length.

Once you have created your last stitch, you are going to start your edging by changing your color and turning your work.

Make sure all your tails are sewn in.

Border:

Rd 1: Sc. In the next st, you will use this technique, and placing 3 stitches in each corner:

Insert hook thru the left post of the sc, and into the next stitch of your blanket edge, yarn over

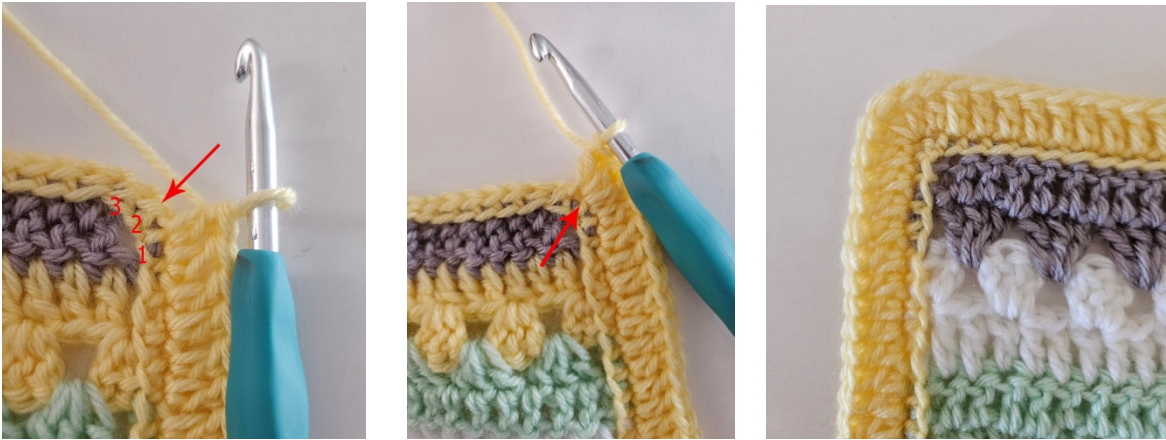

Pull through the stitch and the first loop on your hook, leaving 2 loops on your hook.

Yarn over and pull through both loops.

Rd 2: SSC in your beginning stitch of your edging, dc around, with 3dc in each corner:

Rd 3: Change color, sc in first st, hdc around, 3hdc in each corner. Finish off.
